To show them what activities Mensa has then find out what they would like in Mensa and what they think Mensa is all about. To get them involved in Mensa as well trying to turn them into volunteers. Meetings for these new members and nearly new members would preferably take place in a member's house.

Or have one volunteer for the purpose to gather additional members for that purpose. There will be refreshments served. Conversations will be encouraged, talking to these new members trying to get them to open up. We will hold these meetings every other month, more frequently if necessary. This would also include mentoring these people taking them to events matching one member with one new member that they would always have someone by their side as they get acquainted more with Mensa. If we find a new member would like to do something different, an activity of some sort we can advertise that to bring other members to do the activity. It could be a one time activity or could be ongoing if we decide to turn into a SIG.

There is a budget request for this project to reimburse members for expenses connected with these activities. They will include things like beverages, napkins, plates minor snacks and other incidentals. The actual cost for these activities is unknown and will vary depending on the amount of new members near new members that are invited, therefore a budget of $600 a year be allocated for this activity, with the opportunity to revisit this if there is a need for an increase in the budget.

Next Meeting
14 January 2024, 2 PM via Zoom Teleconference

Adjourn
Motion to Adjourn by Richard Morris, Jim seconded. Motion passed at 3:15PM

RVC9 Article - November 2023

From Rachel Kibler, RVC9

Welcome to November, Region 9! October was a busy month. It started out with a weekend of leadership development workshops, which were amazing. You can find the recordings at https://www.us.mensa.org/lead/leadership-workshops/, and I encourage you to check them out! Kimberly Strickland did workshops on virtual events and utilizing volunteers, our very own Simone van Egeren (San Diego Mensa) talked about the history of Mensa, and staff, board members, and Foundation trustees all talked about the various things they do. It was an incredible weekend with a lot of engagement, and I'm looking forward to the next one in March!

The next weekend was the board's annual planning meeting, followed by a regular board meeting. Our planning meeting was exhausting but excellent, and we surfaced a lot of the larger issues we're seeing with Mensa. We can't change the world, and one theme that came up a lot in our regular meeting the next day was that we can't let perfect be the enemy of the good. With that attitude, we passed a lot of incremental changes that are moving us in the right direction, even if we haven't "arrived" where we want to be yet. It was an energizing weekend. And bonus, we got to welcome our new national ombud, Chad Anderson (Greater Phoenix Mensa)!

On a serious note, many of the local groups in Region 9 are looking for volunteers for board positions. You'll be hearing from me more directly in some of those groups, but if you're interested in sitting on the local board, please reach out to me at rachelregion9@gmail.com, and I'll get you connected with the people who need you.

Thanks for showing up in Mensa, for reading along, for reaching out. This is a community where you should be able to find your people, and if you are struggling to do so, let me help! My emails are always open. Happy Thanksgiving, and happy trails!

RVC9 Article - December 2023

From Rachel Kibler, RVC9

Happy December, Region 9! As we move out of autumn and into winter and the holidays, I'm getting more and more excited about… Mensa national elections! Yes! It's that time! As I've been saying from the beginning, I would love for there to be a contested election in Region 9, regardless of whether I run. I've heard some rumblings from folx who are interested and would love to hear more! You need to have been a member in good standing for at least six months prior to March 31, 2024 (those months don't need to be consecutive!), and you need to have your membership dues for the 2024-2025 year paid by the end of January. On that note, consider renewing early just in case! If you haven't yet talked to me about what it means to be on the national board, either in a nationally-elected position (Chair, Secretary, Treasurer), or in my regionally-elected role (Regional Vice Chair), please do. It's both a lot more work than you might expect and also a lot more opportunities for joy than you might think. You can email me at rachelregion9@gmail.com. Please don't go into this blind.

If you want the opportunity to talk in person, I'll be in Tucson and Phoenix in January, at the GLAAM (Greater Los Angeles Area Mensa) Regional Gathering in February (https://www.glaam.org/regional-gathering/stargazing-2024/), and at the San Diego Mensa Regional Gathering in May! For Mensans in my beloved state of Utah, I'll be at some events, and I'm always up for coffee or hot chocolate with those here and those passing through! Let me know if you're in my neck of the woods, and I'll make time for you.

Thanks for all you do in Mensa. Keep engaging (kindly) with each other. Show up, volunteer, debate, dine, answer trivia questions, and generally be excellent to each other. Y'all make Mensa what it is.

RVC9 Article - January 2024

From Rachel Kibler - RVC9

Happy New Year, Region 9! I'm starting to work through my list of things I want to accomplish this year; it's a lot! One of the things I'm excited about is handing over the Regional Vice Chair (RVC) reins to a new person! That's right, Mensans in the Far West, American Mensa is in the throes of election season! Find out more information at https://www.us.mensa.org/lead/amc/elections/2024-election-portal/. The elections for national and regional officers are very important. These are the people you are trusting to work for the best interests of Am. Mensa and the membership. They wrestle with hard issues on your behalf, they listen to you and act on your concerns, and they spend a lot of time and energy working to improve the org. As you read this, there is still time to put your name in the ring, and do please reach out to me with questions about it (rachelregion9@gmail.com).

Another fantastic opportunity to get involved is to become a scholarship judge! If you're interested in reading and judging scholarship essays, Jenn Morris (San Diego Mensa) is our Region 9 scholarship chair, and she'd love to hear from you! You can reach her at jennmorris.mensa@gmail.com.

My term as RVC9 ends July 1st of this year. My schedule for visits in the rest of the term is to be in Arizona in January (Tucson Mensa on January 18th or 19th, Greater Phoenix Mensa on the 20th), Greater Los Angeles Area Mensa for their Regional Gathering (RG) in February (Feb 16th-18th, register at https://www.glaam.org/regional-gathering/stargazing-2024/), and San Diego Mensa for their RG in May (May 24th-27th, https://sandiegomensa.org/events/regional-gathering/)! I will also be at Mind Games in Charlotte, North Carolina in April (https://www.mensamindgames.com/), and then at the Annual Gathering in Kansas City in July (https://ag.us.mensa.org/)! Thank you for caring about Mensa! ~

Introducing GPM Forum 2024

An introduction by GPM Forum Chairman, Dick Morris

Hello, Mensa colleagues,

I am the Forum chairman for 2024. Although I have been a Mensa member for more than 50 years, this is the first time I have been active.

In the context here, a forum is a meeting where people can talk about a problem or matter of general interest. With that in mind, I plan programs with speakers or panel discussions, always with time for audience participation. I want to avoid politics and keep the programs intellectual. If you, or somebody you know, would like to participate as a presenter or on a panel, please let me know—the same with topics.

Here is a brief description of the January and February programs. Full details in the GPM online Calendar.

Saturday January 13, 2024

10:00AM to Noon - ME/P - GPM FORUM 2024 - Is Being Bright, Bright Enough?

Mensans should embrace critical thinking and logic. Critical thinking is a learned skill that disciplines the mind in reason, argumentative rigor, clarity of expression, critical scrutiny, and logical coherence.

The speaker is Dr. William Svoboda, retired professor and ASU dean. Location: Burton Barr Central Library, 1221 N Central Ave, Phoenix 85004 in Meeting Room A. Doors open 10:00 a.m. The program starts at 10:30. Seating is limited. RSVP to: forum@phoenixmensa.org Mensans, guests, and the public are invited.

Saturday, February 10th, 2024

10:00AM to Noon - ME/P - GPM FORUM 2024 - What is it?

About 80% of Americans believe in a supernatural power. The February Forum will explore the question: What is the "it" believers believe is their god? This is an intellectual inquiry to learn if believers can intelligently define what they believe in or if it is just a feeling.

This is not "why" to believe or evidence of the existence of a god. The subject is strictly limited to intelligibly defining the god each religion believes in. Each participant will answer questions dealing with the definition or internally inconsistent concepts.

The moderator is Dick Morris, who will keep the discussion focused on the definition of what the "it" in What is It. We won't discuss whether "it" (a god) exists—that's another topic for another day. It is not a debate or confrontation. It is to be educational, and an exercise in critical thinking limited to the definition. There will be a Q&A afterward.

Location: Phoenix Public Library - Yucca Branch, 5648 N 15th Ave, Phoenix, AZ 85015 Seating is limited. RSVP to: forum@phoenixmensa.org Mensans, guests, and the public are invited.
