Greater Phoenix Mensa's Official Newsletter

GPM Quarterly - Third Paperless Issue

Welcome to the GPM Paperless Newsletter Beta Test

With the concurrence of GPM ExCom and Mensa Communications Officer we have embarked on a trial of mailing the GPM Quarterly only to those members with "Special Circumstances," i.e. no computer or the ability to use one. All others who select "Print" as their newsletter preference will receive a link to the Printable Document Format (PDF) version and join those who have selected "electronic" as their newsletter preference.

This program will continue for the 2025 calendar year and will be reviewed by the AMC before continuing in 2026. This test will result in a savings to GPM of over $2,400/year, since we had been printing around 400 copies mailed to GPM members four times a year.

RC9 Article - April 2025

From Jay Friedlander, Regional Coordinator

Hi Region 9,

My name is Jay Friedlander, and I'm the new Regional Coordinator for Region 9. This is a non-voting bridge position leading up to the RVC elections in April, for which I am also a candidate.

I was a 12-year Ombudsman for Greater Los Angeles Area Mensa. On that note, I am pleased to announce the appointment of Eldon Romney of Utah Mensa as our new Regional Ombudsman. Eldon brings ten years of experience as our National Ombudsman, and is an American Mensa Distinguished Service Award winner. I'm excited to work with Eldon going forward.

I am also GLAAM's outgoing RG Chair (with Madeline Walker), and our chapter just completed another enjoyable and successful Regional Gathering. Looking forward to San Diego Mensa's RG over their traditional Memorial Day weekend.

Are you looking to get RG's started in your chapter again? I'm happy to advise, and share what I've learned over twenty years on our RG committee. Some advice on starting local events? As the co-founder, more than twenty years ago, of the International Diners Club (with Danielle Hanne), which is still ongoing today, I am happy to advise there as well.

One important mission of American Mensa is to bring in new members and young members to pass the torch and carry on Mensa's great traditions. GLAAM just appointed their new Young Adult M's coordinator, and hopefully in time, all our chapters will find the right candidates to lead those efforts.

And about that RVC election? We are currently in the petition process to place candidates on the ballot for the full time RVC 9 position. If you would like to see voting representation on the AMC board for Region 9 again, I hope you will sign my petition, so I can appear on the ballot, along with any other candidates who might step forward. You can follow the path at Us.Mensa.org to Elections underneath the LEAD tab > Board of Directors (AMC). Or you can go to this direct link. https://www.us.mensa.org/lead/amc/elections/candidate-petitions/petition-signatures/?id=D8918BC8-2A67-4152-A223BF8DDFDE7643

Thank you,
Jay Friedlander
Regional Coordinator - Region 9

RC9 Article - June - July 2025

From Jay Friedlander, RC9

May was a month of parties across the Southland. GLAAM LocSec Sam Moses generously opened his home for a Cinco de Mayo (OK Tres de Mayo celebration. Sam's parties are always well attended, and decorated to the pertinent holiday theme. Plenty of food, a terrific holiday-themed cake, many stimulating conversations and fun. Alan Stillson played Mexican themed-tunes (Besamé Mucho), and brainstormed with Alex, for the possible return of the Open Forum, where we present engaging speakers for a nominal fee. The right venue to host the event is still under consideration, but if you have any ideas, please shoot Alan an email at astillson13@gmail.com. Congratulations to long-time GLAAM Hall of Fame member Sam, who finally received his Hall of Fame badge.

Orange County Mensa held its 45th Anniversary Celebration at the Orange County Mining Company in Orange, as 1980 was the year they spun off into their own independent chapter. Delicious buffet featured an omelet and waffle station, roast beef, a variety of seafood, plenty of veggies and potatoes, mimosas and an ample dessert selection. OCM partially subsidized the cost, making it more affordable for all. Challenging trivia contest, which my table didn't win. Last year's Board of Directors welcomed the new Board. Greg De Hoogh once again assumed the duties of President, while the 2nd Vice President and Parliamentarian were replaced by three new Directors-At-Large. I made a few remarks about a direction for Region 9, and the talented Kevin Kelso closed things out with an entertaining musical program.

San Diego Mensa took the spotlight for Region 9 with the San Diego AaaR-G! The Friday festivities kicked off with Gopher-in-Chief Dave Bowles' New Member Orientation. I played Time's Up, a variation on Colander with Nate Greengard, who hosted several games, as did Jim and Barbara and game room host Theresa Kasel. Tasty tacos for dinner. Edward Chu taught us the difference between fission and fusion. Richard Lederer, sire of poker champions, indoctrinated a new generation to the joys of his favorite game.

There was a respectable number of Mensa Testers. One of them told me she was feeling confident, and they enjoyed their free day at the Gathering. I held a Meet and Greet for the region, where we talked about subjects of the day, and the focus was on improving retention, and increasing attendance at Mensa events. Melissa Reskoff spoke of converting from divergent to convergent thinking. Steve Cross gave a riveting description of the evacuation of the US Embassy in Saigon. Suzie Tell talked about the trauma of the adoption process. The Two Chucks, Borough and Samples talked about overcoming regrets, and brewing and hot beer spots in San Diego. (Maybe the 2nd could help with the first?) Rich Lederer shared his best pirate puns, and he proved an ample warmup for professional punster and improviser Sarah Flocken's pun class the following day. Jenny Rankin talked about strange things our brains do, and had us match up images which best fit a descriptive word. Iris Meyers hosted a popular chocolate tasting, but no first-hand report, as I'm doing Keto. I did enjoy the Keto-friendly roast chicken dinner though. And then it was time for the Pirate Murder Mystery. The Pirate King was killed and whodunnit? Each table was given only a couple of clues, not nearly enough. It required a lot of interaction and negotiations with the other tables to get enough clues to see the whole picture. The Pirate cast from the repertory company provided additional clues, and entertaining repartee. Congratulations to the winning table! I'm afraid I had abandoned ship prematurely and was off enjoying Carnelli and Encore in the game room.

The program continued on Sunday and Monday, but I had to leave after a nice brunch with old friends, and Sarah's previously mentioned pun session. Congratulations to Mensa's games savant Gloria Greengard, for beating a formidable group, which included Richard Lederer himself, for the punniest performance and victory. Congratulations to Captain LaRae Bakerink, a veteran of many an RG, and her hard-working team for a great time for all!

Tucson Mensa has started a book club, and June's selection will be The Battle for your Brain: Defending Your Right to Think Freely in the Age of Neurotechnology.

Southern Nevada Mensa's First Friday continues at Panera Bread for casual and unstructured discussion. This event is open to non-Mensans, so family, friends and co-workers can be invited to attend, and hopefully find it fun and stimulating enough to want to test and join.

And Mensa Hawaii announced its Mensa Hawaii's Diamond Jubilee Celebration – May 7 to May 15, 2026! Celebrating 60 dazzling years of Mensa Hawaii with a spectacular cruise aboard the award-winning Celebrity Edge, departing from the stunning shores of Honolulu, Hawaii and arriving in the vibrant city of Vancouver, Canada. For Mensans and their friends.
